Hospital Expansion Plan Curtailed

On August 16th, 1967 a delegation of the Board, accompanied by Mr. Keith Everitt M.L.A. met with Dr. Ross urging prompt approval of the plans as the Board was most anxious to proceed with the building of the hosp-

ital. As stated previously, in accordance with the Hospital Act, permission must be sought of the Minister of Health before proceeding further.

The preliminary plans submitted were in accord-

ance with the directive from the Minister of Health dated January 12th, 1967 for a 100 bed active treatment hospital with provision made for further expansion of facilities and services of up to 300 beds when needed.

The Department of Public Health, Hospital Division has now informed the Board that after careful consideration they have decided that only a hospital of 100 bed capacity should be built at this time, with no provision for further expansion.

After careful deliberation the Hospital Board reluctantly reached the conclusion to avoid further delay, they had no alternative but to concede the restrictions imposed as laid down in the Minister of Health's letter. Consequently, the architect has been instructed to proceed with the development of plans for a 100 bed hospital only.

D. M. (DOUG) CASTON

Doug Caston, Edson printer and publisher, announced last week he would seek the Progressive Conservative nomination for the Nov. 6 by-election in Jasper-Edson. The seat was left vacant last spring when Dr. Hugh Horner resigned as Member of Parliament to win the provincial constituency of Lac Ste. Anne for the Conservatives.

Mr. Caston, who directed publicity for Dr. Horner in four federal election cam-

paigns, made his announcement in Edmonton after conferring with Dr. Horner. He said the outcome of the forthcoming by-election is of significant importance. "While the constituency will disappear in the next general election, the majority of votes (about 60%) in the new Rocky Mountain riding will come from what is now Jasper-Edson. It is important that this majority be given the opportunity of choosing a man intimately connected with the affairs of the riding." Jasper-Edson will be absorbed in the next federal election by the ridings of Rocky Mountain, Pembina and Wetaskiwin.

The 50-year-old father of seven has lived in Edson since 1936, except for the war years when he served with the R.C.A.F. in Canada and overseas. He has a Conservative family background and has been an active part-

Soccer Champs

St. Albert Hercules soccer team came through on the weekend to win the handsome trophy cup and championship of the Edmonton Minor Soccer League, defeating the Victoria Ritchie club of Edmonton in a two-game total point final.

A thrilling finish again had the fans holding their breath as the final game went into overtime on Sunday afternoon. (This was the same situation the Pee

Wees faced in the semi finals against the Italia club last week).

The pressure was terrific on the goal keepers and star kickers as they went out to try the penalty shots. Gary Larsen, St. Albert goalie, held Victoria to one score out of three shots and then R/W Geof Holden crashed through with two winning shots to win the much-coveted trophy for St.

Albert.

Front row: Gary Ferguson, Barry Alliston, Gary Larsen, Gordie Brown and Alan Eschak. Missing from the picture are Dennis Mercer, Ron Verbeek and George Holden. The boys are seen with the Hal Pawson trophy which they won in the Sept. 24 game.

Nominations for Town Council

Council - John Bakker, R. Wheatley, Frank John Luker, Peter S. Ziddema, René Kambouroff, Donald Bull.

Albert. The large crowd of local fans stormed across the field at Coronation Park to congratulate the excited, happy and tired victors.

League director, Dave Whitely presented the cup to Gary Larsen, acting for the team, and offered his congratulations to the St. Albert club who came through six games in the cup playdowns. The PeeWees had their own cheer leaders section Sunday, dressed in Hercules sweaters and carrying the team banners. (Thanks to Mrs Ivy Allen who organized them).

St. Albert won the first game Saturday by a 2-0 margin on goals by L/W Barry Alliston and Geof Holden and a defence that weathered the storm to the final whistle. The defence was superb, holding back the strong and vigorous Vic forwards. Timely tackling by Dennis Mercer and John Field was supported by booming clearances by "Leadfoot" Verbeek, swift recovering by Jimmy Wilkerson and plenty of hustle from John Burrows. Donnie Hunt came in at half time to add more weight to the forward line.

the various charitable organizations of our community

Despite threatening skies on the afternoon of Sept. 24 a large group of St. Albert residents gathered at the grotto behind the St. Albert Roman Catholic Church to participate in an Inter-Faith Centennial Service of Thanksgiving, sponsored by the Ministerial Association of our town. The Service was in recognition and appreciation of the gift of a great nation - Canada, our homeland.

Residents joined to thank "Their Father" for their freedom, their opportunities and their special call to build a nation Canada. With confidence and love "Their Father" has entrusted the community with rich raw materials and all are called to continue creation through their endeavours to build a better world.

In his address, Father J. Bidault, OMI gave an insight into the richness of the history of St. Albert, and related how the pioneers worked with zeal and enthusiasm to build the community, a spirit that should inspire all and be an incentive to continue in the same manner the development of our heritage.

Father Bidault opened his sermon saying "It was a

cold and frosty morning that morning of January 14, 1861. Still this was the morning that gave rise to the foundation of this beautiful little town in which we live today and of which we have every reason to be proud".

In conclusion he said, "And may St. Albert continue to grow and prosper in the years to come.

"We have here wonderful opportunities; a beautiful country rich above and under ground. And still more wonderful is our population composed of several nationalities and languages. What makes the beauty of a garden is the variety of flowers, trees and shrubs. All these arranged together in a fine pattern makes the admiration of visitors.

"And so it is with a community. What counts to make it beautiful and prosperous is the goodwill and a perfect union of hearts and minds. Where there is union there is strength. Where there is division there is weakness, misfortune and chaos.

"Dear friends, no matter who we are in this community, let us pull together, have faith in God, faith in our country and faith in ourselves. And God will bless us."

St. Albert Election

Meet the Candidates

St. Albert Civic Election meet the candidate night will be held on Oct. 3 at 8 p.m., in the St. Albert Community Hall sponsored by the Chamber of Commerce. There has to be more than three candidates or the meeting will not be held.

Liberals to Nominate

The Liberals have set Oct. 5 to nominate their candidate in the Jasper-Edson constituency. The meeting will be held at the Wildwood Community Hall at 7:30 p.m.

Doug McKeen, Sangudo businessman, and Hugh Rigney, teacher and farmer from Bon Accord will definitely seek the nominations and there is a strong possibility that Art Soetaert, Morinville, former mayor and MLA will also seek the nomination.

RICHARD WHEATLEY

Mr. Richard Wheatley, 36 year old St. Albert lawyer has announced he will run for re-election as councillor in the forthcoming Town Council elections.

The major problem he is concerned with is that council get a definite answer from the provincial government as to whether they will allow St. Albert to continue as a separate town, or whether it will be swallowed up by the city of Edmonton.

Mr. Wheatley, who has served for over two years on council has recommended that the council make an official submission to the provincial government to give them a firm commitment. "I feel this is an issue that must be squarely faced by the provincial government and an answer given", said Mr. Wheatley in an interview this week. "If re-elected I will continue to press for a formal submission and to treat this matter as urgent. The tax load on the average St. Albert resident is becoming more than he can bear". Mr. Wheatley feels that, since the province authorized the development of St. Albert as a residential area, the provincial government should take under responsible consideration the matter of its future development under a fairly spread tax revenue arrangement.

A graduate of the University of Alberta Mr. Wheatley is a member of the law firm of Archibald, Edwards, Wheatley and Sadownik and has maintained a part time practise in St. Albert since 1955. An active supporter of the St. Albert Chamber of Commerce, he has served three terms on the executive. He is married and has made his home in St. Albert for two years.

Curlers predict banner year

Curlers predict banner year. The St. Albert Curling Club is organized for a banner year of curling. They can now boast a complete set of new curling rocks and Bill Bird returns as ice maker for the six sheets so the exceptionally fine ice the club is known for will be assured. Curlers will also be happy to learn that Art McCormick is again the Club Manager.

In addition to the arrangements made for regular play in the mens, ladies and mixed leagues, the executive is planning many social functions throughout the year. A Grey Cup dance and

Men's Stag are two in the offing at the moment. Newcomers to St. Albert will find curling information in this week's Gazette.

SEEKS NOMINATION

Continued from Page 1 member since the late 1940's serving as Regional Director for Jasper - Edson ever since the post was formed.

Jasper-Edson constituency president, Cedric Coats of Onoway, announced that he will call an organizational meeting for early next week in the Rexboro Hall on Highway 16. He is encouraging the Edson man's candidacy for the Nov. by-election.

Call meeting on Amalgamation

The St. Albert Town Council has called a public meeting to be held in the Gymnasium of Father Jan School, on Oct. 4, to discuss amalgamation with the City of Edmonton.

The decision came after a petition, signed by 24 persons, was received requesting such action.

PETITION

"WHEREAS the Council of the Town of St. Albert, at a Special Meeting on Sept. 18 discussed the question of amalgamation with the City of Edmonton and;

"WHEREAS the Council felt such discussion was premature and that no plebiscite on the matter would be necessary at the Oct. 18 election;

"THEREFORE, we the undersigned electors, in the Town of St. Albert, in accordance with Section 59 of the Town and Village Act, Chapter 338, R.S.A. 1955 as amended, request that a Public Meeting be called for the purpose of discussing municipal affairs as they relate to the possible amalgamation of the Town of St. Albert with the City of Edmonton.

Each councillor had a copy of the petition and the public meeting was called without discussion as this is required according to the Act. If this meeting can pass a resolution for amalgamation it will certainly receive attention from council at the next meeting.

Mr. Vance had moved a house from Edmonton to the Sturgeon area, improved it to meet all area standards and later moved one for his

Richard Perrault, 5 St. Michaels, left last Thursday for Moose Jaw where he will join the Moose Jaw Canucks of the Saskatchewan Junior Hockey League at their training camp. Twenty-year old Richard intends to keep busy while in Moose Jaw. Besides playing defence for the Canucks he hopes to continue his education and take a drafting course.

Mr. and Mrs. Fred Peregoodoff, 61 Gordon Cres., recently welcomed a new addition to their family. Robbie is the new playmate for Tommy.

Mr and Mrs Peter Zuidema, 9 Birch Drive, are the proud new parents of a baby girl, their first child.

Also joining the baby parade, grandparent wise, that is, are Dr. and Mrs. W. Mirlin, Mr. and Mrs. J. deBruijn and Mr. and Mrs. D. Perry. Best wishes to the happy parents and the brand new crop of babysitters.

John Holgersen was recently appointed manager of the Edmonton Symphony Orchestra. Before this appointment Mr. Holgersen served as executive director of the Edmonton Civic Centennial Committee.

Representatives of the Town of St. Albert were guests of Calgary Power recently when they toured the Brazeau River Dam. Taking part in the excursion were Deputy-Mayor R. M. Gibbon and Mrs. Gibbon, councillor John de Bruijn and Mrs. de Bruijn, councillor J. J. Bakker, Mr. J. Fleming and Mr. S. Billings.

Mr. and Mrs. Richard Leggett, 24 Glenmore, and their three children returned home last week from a five week visit to Britain. The Leggetts' visited friends and relatives in Wales, Liverpool, Scotland and Yorkshire.

A. F. Heuman, 19 Gilmore has been appointed president of the Civic Musical Theatre (formerly Civic Opera Society) and Mrs. John Hermans, 82 Gordon (St. Albert's Miss Centennial) has been named to the board of directors.

Mr. and Mrs. Chuck Arundel have sold their home and are moving to Calgary. Chuck and Leona will be remembered among other things for their work with St. Albert "Sweet Adelines" and men's barbershop singing groups. They are looking forward to growing hybrid roses in the warmer (?) climate.

T.V. APPEARANCE
Due to unforeseen circumstances C.F.R.N., T.V. was forced to change the date of the interview with Keith Hamilton and Philip Silver, writer and director of Mio Kiskisewin. They will now be on the Virginia program at 10 o'clock tomorrow morning. Plan to watch the program and get a peek at some of the costumes that will be used in the pageant.

Thirteen young St. Albert fellows are making news this week, having won the PeeWee Soccer championships. Their trophy cup is on display at Jim Byrne's Men's Wear till Monday, and their manager, Lloyd Hopkins was interviewed by Tiger Goldstick for his We program on CFRN television. Monique Leyrac is at a sensational point in her singing career. She has been highly acclaimed in France, the United States, Russia as well as Canada. She is a beautiful woman who sings with feeling, whether it be about the hardships of life in her native country or the wonderful joy of being in love. Monique Leyrac began her professional career when she was just 13 and performed in a Lux Theatre production. She will sing in a Festival Canada production at the Student's Union Auditorium (on campus) Sept. 27.

Mio Kiskisewin

St. Albert and district residents are cordially invited to attend the premiere showing of "Mio Kiskisewin" the historical pageant written by local resident Keith Hamilton. The production has a large cast of St. Albert students, all authentically costumed. Some of the costumes used are over 100 years old. The pageant is narrated by Walter Kaasa and features some of Edmonton's best known actors in speaking parts. Dialogue is pre-recorded, extensive sound equipment will ensure the audience will enjoy the production to the utmost.

Two outdoor performances are planned for 8 p.m. Friday and Saturday, behind the Father Jan School in Mission Park. The audience will be seated on the level area of the park, with the action taking place on the terraces. The large cast has been rehearsing daily under the direction of Philip Silver of the Citadel Theatre.

The production is being sponsored by the St. Albert protestant separate school

PUBLIC NOTICE TOWN OF ST. ALBERT NOTICE OF PUBLIC MEETING

WHEREAS in accordance with Section 59 of the Town and Village Act Chapter 338, R.S.A. 1955 as amended, electors of the Town have by written petition requested that a public meeting be called to discuss municipal affairs as they relate to the possible amalgamation of the Town of St. Albert with the City of Edmonton,

NOW THEREFORE TAKE NOTICE that a public meeting of the electors of the Town of St. Albert will be held on Wednesday the Fourth day of October 1967 at 7:30 in the afternoon in the Gymnasium of Father Jan School, Mission Avenue, St. Albert for the purpose of discussing municipal affairs as they relate to the possible amalgamation of the Town of St. Albert with the City of Edmonton.

Dated at St. Albert this 26th Day of September A.D. 1967

R. M. Gibbon - Deputy Mayor

PUBLIC NOTICE TOWN OF ST. ALBERT

PUBLIC NOTICE IS HEREBY GIVEN THAT THERE HAS BEEN INTRODUCED IN THE COUNCIL OF THE TOWN OF ST. ALBERT THE FOLLOWING BY-LAW:

NO. 34/67

A By-law of the Town of St. Albert to amend By-law No. 30/66 being a By-law to authorize the Council of the said Town to incur an indebtedness by the issuance of debentures for the purpose of constructing a Sewage Lagoon.

WHEREAS, By-law No. 30/66 states that the said indebtedness is to be repaid over a period of 25 years in annual instalments with interest not exceeding 6% per annum; and

WHEREAS, By-law No. 30/66 further states that the debentures maturing in each of such years shall bear interest during the currency of the debentures at a rate not exceeding 6% per annum; and

WHEREAS, it has now been ascertained that a portion of the debentures will be sold at an interest rate in excess of 6% per annum;

NOW THEREFORE, the Council of the Town of St. Albert, duly assembled this 25th day of September, A.D. 1967, hereby enacts as follows:

THAT, wherever reference is made in the said By-law 30/66 to the interest rate of 6% per annum, that same shall be changed to read 7% per annum.

Square Dancing.
Al Deby a square dance "caller" from Edmonton brought a group of young people to St. Albert to demonstrate square dancing and before long nearly everyone was on the floor. For many it was their first introduction to square dancing.

Starting on Sept. 29, the local group of Square Dancers, the "Saints and Sinners", will be sponsoring a special class for young beginners, from 6:30 p.m. at the club house till 8:15 p.m. At 8:30 there will be another class for beginners of all ages. Registration fee for the 6:30 class is \$1.00 and 35¢ per lesson and for the 8:30 class each lesson will cost 75¢ and there will be a small registration fee.

CALL MEETING ON AMALGAMATION

Continued from Page 4

brother. He was now asking council for permission to move a third one for speculation. As Mr. Vance had acted on all instructions from council previously this request was granted.

The tennis courts again come up for discussion. It was brought to light that although tennis courts appear to be very solid they are in fact, easily damaged and some control must be given to stop such things as football games and so on taking place on the courts. A resolution was passed that the recreation budget be increased to cover cost of supervision.

The council passed a resolution, subject to the approval of the Local Authorities Board, that the deputy mayor would be paid when the mayor is beyond reach for any length of time.

The civic dinner to be held on Sept. 30 was postponed.

Letter to Editor Amalgamations Committee Formed

A number of St. Albert citizens concerned about the total question of possible amalgamation with the City of Edmonton has formed a citizens amalgamation committee at a meeting of St. Albert home owners held on September 26, 1967.

As a public meeting on the question of amalgamation has been called by the Town of St. Albert, following a petition requesting such a meeting, the amalgamations

committee feels specific answers are required on the following points:

- 1) What is the present town councils stand on the question of amalgamation?
- 2) What is the general feeling of St. Albert rate-payers on this important question?

The committee intends to present factual information on the questions of amalgamation at the public meeting in an attempt to force a solution to the economic crisis in which the town presently finds itself. It is a non-political committee vitally concerned about the future welfare of the Town of St. Albert.

The committee feels its endeavours has a great deal of support among St. Albert residents and that a solution to the present economic crisis may best be accomplished by a non political organization.

Mayor Ramsay Resigns

In the following prepared statement, given to the local press, Mayor Henry Ramsay of Morinville announced his resignation on Saturday of last week, effective immediately.

It has been my honor and privilege to serve on the town council for the town of Morinville for seven years. However, for personal reasons I find it necessary to tender my resignation as mayor.

I wish to express my appreciation for the fine support the citizens of Morinville have given, not only to myself, but to all the members of the council. We are living in a fast changing world, and governments, at all levels, have to take many complexities of administration into consideration. Let us give our future mayor and town council all the support they deserve.

ANY GOOD FISHERMEN IN YOUR FAMILY?

The Chalifoux boys are showing proof of their catch. Shown above are Laurier Chalifoux and his brother Guy, who landed an 11 and 1/2 pound Jack in Moose Lake recently. Guy is shown holding the prize catch, while Laurier, who actually caught the heavy weight, is shown holding another big one, weighing 8 and 1/2 pounds. Uncle Henry also caught a 10 pound Jack on the same day. The small children shown are the twin daughters of Mr. and Mrs. Henry Chalifoux, Collette and Colleen, all of Morinville.

Confederation Caravan

The Confederation Caravans touring Canada tell the story of the nation and her people in a way it's never been told before. The Caravan will be in Morinville Sept. 30 at 11:00 a.m.

You'll know the caravan's coming when you hear its mighty claxon blaring out the first four notes of "O Canada" as the eight giant tractor trailers roll through town to the exhibit site early in the morning.

Because of its size it will be accompanied by a police escort on its way to the site. There, the drivers will arrange the colorful trailers in a quadrangle, set up the mobile regional exhibits, entrance gangways and bridges between trailers -- and the show is ready to open.

Doomsday at G.P. Vanier

Frosh activities at Vanier School on Sept. 15 proved different to previous initiations. The day was called "Doomsday" and the Grade 10 class seemed somewhat terrified of the event which was to damn them for the day.

During the day the "damned" paraded the aisles with such weird costumes depicting everything from Herman Munster to Baby Huey. They were liberally painted with lipstick and their hair was backcombed no matter how short it was.

At night instead of the "old" Kangaroo Court the scene was one of "HELL". As the curtains opened screams of terror poured into the audience and flashing lights of red added to the fury. As Satan entered "damnation" for the Grade 10 was evident. Well-masked devils heeded Satan's every command.

The "damned" were as follows:

Camille Beland - The Flying Nun was accused of indecent landings, almost colliding with "Helicopters" and flying over the Fraser in class. As punishment he had to collect \$5.00 from the audience. Camille did twice as well as expected, he came back with a sum of \$10.32 which was presented to Father Beaupre to send to the missions.

David Boles - Miss Universe was charged with lying about her measurements. To pay for his crime he had to

On Sept. 25 a meeting was held in Rexboro Hall by the Jasper-Edson Federal P.C. executive to plan the nomination meeting which will be held in Edson on Oct. 6 at the Edson Legion hall, at 8:00 p.m. District Directors are Stan Walker, Leo Maurier, John Stevens and Mrs. Rose Martel.

deliver his "Miss Universe" competition speech.

Daryl Brenneis - Thor God of Thunder and Rain had to do a rain dance. One of Satan's faithful demons saw that Thor got rain!

Dolores Calder - The "Ookpik" feasted on a combination of Nestle's Quick and peanut butter while reciting a poem. She was accused of not cheering for the Eskimos.

Sheila Demers and Marion Kremer - Dressed as "tiny tots" failed to make it to the washroom that day and for this had to collect 20 hairpins each from the audience. They did this without any trouble.

Leo Ethier - Accused of wearing a wet diaper, but what could we expect from "Baby Huey". He had to show the audience how to throw a temper tantrum and how he could be soothed with an eight oz. bottle of warm milk.

Robert Fiddler - "The" go-go dancer was accused of indecent exposure and as penance had to dance.

Anne Hughes and Gerry Wojtkiw - The "hippies" of the year were accused of trying to start a "love-in" and as a result had to sing love songs that they had to compose first.

Donna Martel - Chickenman - chickened out due to a doctor's appointment.

Lorraine Mercier - Made the terrible mistake of playing football with a baseball. An "all-star" should know better! She had to count all the tiles in the gym. Quite a number eh Lorraine?

Patricia Podgurney - The Convict was accused of trying to break out of the Royal Canadian Pen. She was blindfolded and told to dig out the eyes of a pig mixed with its brain. It was only canned tomatoes and

two marbles.

Phillippe Remillard - The bride who's groom chickened out had to do a skit with P. Chalifoux on the first day of marriage. The bride opened a can and presented Mr. Chalifoux with an egg.

Christina Kilakowski - "Zorro" didn't show up for judgement. She must have gone up instead of coming down.

Bernice Logan - Accused of jumping into the Vice-Principal's convertible and tearing the vinyl to shreds. "Peter Cottontail" had to drink something quite different to carrot juice; she had to drink a concoction composed of salt water and two tiny fish. Fortunately she didn't swallow the fish.

Ferdy Rustemir - Herman Munster had the pleasure of joining Satan in a glass of eggs.

Irene Schayes - Accused of neglecting to feed the gophers on the school grounds and being a poor farmer. She had to collect 20 signatures from fellow farmers in the audience.

Denise Tailleux and Lionel Theberge - These two had to do an Indian Love Call dance together. They were not the perfect couple since

Denise was "Hot Stuff and Lionel an old "Squaw".

Lorraine and Lorette Van Brabant - Colonel Klink and Sergeant Schultz - Food mustn't be so good at Stalag 13 if you have to feed yourselves spaghetti blindfolded.

Doreen Vervynk - James Bond was demoted and had to do the simple chore of cleaning a dead frog with a toothbrush.

The Grade 12 and 11 students are happy to receive the Grade 10s into high school. The organizers of this Frosh are to be congratulated since this has been one of Morinville's best

Control of roundworm in swine

by Dr. V. G. Korompay
Roundworm disease in pigs is caused by the large roundworm (ascaris lumbricoides var. suis) a smooth, elongated, roundworm, yellowish-white in color, 6 to 12 inches long, which inhabits the small intestines of pigs. These worms are one of the greatest adverse factors influencing pig husbandry and extensive infestation with these worms is responsible for great economic losses among pigs, which can be estimated at many thousands of dollars yearly in a district. The greatest damage is caused to young pigs, and experiments showed that roundworm infested pigs grew to less than half the weight of roundworm-free pigs under the same feeding conditions.

To control the disease the farmers must know some

The Morinville Lions Club sponsored the Free Vehicle Inspection the week of Sept. 18 to 23. Due to the high winds it was not possible to operate the inspection at all times, however, some 200 vehicles were inspected. Inspector Henry Murdock, from the Highway Traffic Board was pleased with the public response. It takes only seven minutes for the well co-ordinated team of five inspectors to check out a car.

Bishop John Bokenfohr, of Kimberly, South Africa, who planned a little rest in Canada before returning to Africa, left last week, after receiving word that his Vicar General, had suffered a heart attack.

Mr. Arthur Logan, who has been working in Radium City, has been visiting at home for the past week.

Mr. and Mrs. Guy St. Germain welcomed their first born, Nicole, on Sept. 19. Chosen God parents are Mr. and Mrs. Guy Julien of Edmonton.

Mrs. Lloyd Granger and family recently lost her father, the late Tom Baker, 67, of Morden, Manitoba, who died suddenly. Mrs. Granger flew to Winnipeg and was with her mother and family for the funeral held in Morden.

It has been reported that some 44 children have registered for the Flotten Dancing School being promoted in Morinville. A meeting was called last week-end, when about 35 mothers attended and met Mrs. Flotten who explained the proposed opening program.

facts about the life-history of the large roundworms. The adult female may lay 200,000 minute (microscopic) eggs per day (3 million during her lifetime) which pass to the ground with the droppings of the pig. These eggs have a remarkable vitality and in favorable conditions may be alive for as long as five years; they are very resistant to drying, freezing and chemicals, but hot sunshine may kill them in a few weeks. Pigs are infested through swallowing of the live eggs which are scattered on the ground, water, objects and skin of the pigs in infested premises. The eggs hatch in the intestine of the pigs and the larvae burrow through the gut wall, reaches the blood-stream and is carried through the liver and heart to the lungs. There they remain for some days but finally the larvae climb up the windpipe and are swallowed again, pass down to the small intestine where they grow adult in 2 to 2 and 1/2 months; and the females start passing eggs by the millions.

Young pigs often become infested before they are weaned and the worms not only retard their growth but may cause death in several ways. The adult worms are not blood-suckers, but live on the semi-digested foods in the small intestines and can produce sickness or death only in large numbers. More dangerous are the larvae of the worms which wander through the liver and the lung tissue of the pigs, causing stuntedness, in the liver the so called "milk spots" and in the lungs coughing and pneumonia. Secondary bacterial invasion may effect the weakened pigs which may die in this case within a week. It is easy to remove the adult worms from the intestines with a worm remedy (peperazine or cadmium products) but many of the sick pigs remain stunted from the damage produced by the larvae. Further experiments showed that pigs raised under sanitary conditions produced an average of 11 young per litter, only one per cent runts and weighed 212 pounds in six months while pigs raised in round worm infested grounds averaged 5 young per litter, 18 per cent runts and weighed only 180 pounds in eight months.

As can be seen the greatest damage is caused to young pigs and if these can be protected during the first 4 to 6 months of their lives, losses can be considerably reduced.

The adoption in parts of the United States of the McLean County System of Pig Rearing has resulted in a reduction of 50 per cent in deaths and an increase in rate of growth to such an extent that pigs reared on this system weigh 28 pounds more at 4 months of age than do infested pigs, while they can be marketed 2 months earlier. The principles of this system are a cleansing of the sow, particularly the udders before farrowing and removal of the

sow and piglets to a worm-free environment until the pigs are 4 months old or 100 pounds in weight.

In detail the farmer must do the following:

1) The sows should be treated with a worm remedy about halfway through pregnancy.

2) Just before farrowing the sows are scrubbed with soap and warm water - the udder having special attention - to remove mud, filth and worm eggs.

3) Farrowing pens are cleaned with a stiff broom, using lye and boiling water (1 pound lye to 1 gallon of water). The floors, walls, guard rails and troughs are all to be cleansed; particular

attention is paid to cleaning cracks and crevices. Finally the pens are rinsed out with boiling water.

4) Ten days after farrowing the sows and litters are moved on sleds or wagons to clean pastures which has not been previously used for pigs, where they are kept four months, during which time the growing pigs acquire resistance to heavy roundworm infestations.

5) No other pigs should be allowed access to this field and the sows can be removed after weaning.

If the litters are of widely different ages it may be advisable to partition the field, temporary shelters may be erected if necessary. It cannot be too strongly stated that permanent pig yards are highly dangerous for young stock.

RENEE CHEVALIER
MORINVILLE

The students of George Vanier High School in Morinville held their elections for the new 1967-68 Student Union executive last Friday, Sept. 22. Renee Chevalier, 18 year old son of Mr. and Mrs. Ubald Chevalier of Morinville was elected president by acclamation. Renee is a grade XI student.

Miss Linda Miroau, of Edmonton, was elected vice president, Miss Anne Hughes of Morinville, secretary; Miss Janice Brennie of Morinville, treasurer; David Kryskow was elected as sports committee chairman; Miss Marilyn Ramsay is the chosen convener for the decorating committee.

Marcel Schayes, principal of George Vanier School reports that the Students Union executive plans a number of activities throughout the school year. Enthusiasm seems to be great among the student body this term.

The Fashion Show

On Sept. 20, the Morinville United Church Ladies Aid, sponsors of the Fall Fashion Show, hosted some 225 guests. Fall and Winter fashions by Simpsons-Sears of Edmonton were shown.

Deputy mayor Arthur Stapleton, welcomed the ladies, and introduced Mrs. D. Christenson, Fashion Coordinator for Simpsons-Sears who was the commen-

tator for the fashion parade.

The first group of models showed teenage fashions. Skirts are back in mode, as well as cape dresses with the London look. Neon pink was a favorite color in many new materials. Belts are worn every where and the tent dress has been tamed down. Many knit models were shown as well as a great variety of plaids for the young crowd.

Leather and suede coats with half belts were popular, as well as the pant suits for all ages and occasions. For evening wear it was from plaids to sequins.

A new side fastening is in high fashion this fall with ball buttons and loops for a great many coats for all ages.

An elegant assortment of dainty lingerie was also shown. Then came the exclusive models for formal afternoon and evening wear.

Many rich glitter materials were shown in cocktail and evening models. Two of the most charming models were a neon pink teamed with white lace for teenagers and a matron model of white with black overlay of black lace, complete with jacket.

Entertainment was provided by Mrs. Irma Houle and Mrs. Evelyn Lavallee.

Prizes were donated by Simpsons-Sears, the Ladies Aid and Hilda's Flowers in St. Albert. Lunch was served by the Ladies Aid. Mrs. Ewald Carlson, vice president, thanked Mr. Stapleton for his good wishes and timely remarks as M.C. for the evening.

The Ladies Aid of Morinville United Church wish to thank all who attended or who contributed in any way to make this event such a success.

FROSH DAY IN LEGAL

Friday, Sept. 22 was a big day for the grade 9 students. They all were initiated into our high school.

At night there was a kangaroo court where the victims faced the judges and jury consisting of: Jim Pipmany, Emilie Prefontaine and Maymie Keane; the jury: Carmen Prefontaine, Marguerite Piquette, Robert Letourneau, Lucien Larose, Lucien Prefontaine.

Most of the 46 students appeared and took their penalties in good nature but for the remaining students there just so happens to be a few dirty cars that need a good washing on Monday morning.

The evening ended off with a "sock-hop".

Quebec before Nov. 1. The Diocesan committee also stated that they would visit all the parishes of the diocese to enable them to know the locals better and be aware of the problems that exist in each section.

A meeting will be held in Vilna in early November for the presidents and one representative to give a chance to the ladies to express their ideas and briefs in order to better the organization and meet the needs of everyone.

Mrs. Rachel Cyr presented the ex-president with a lovely pair of book-ends. To end the evening a lunch was served by the lunch committee. The next meeting will be held on Oct. 2 at the recreation centre at 8:30 p.m.

ine trip to visit the people of all walks of life who lived and worked, laughed and wept in Canada before we came along.

This major Centennial Commission project took almost four years to produce from idea to fact.

Writers laid down broad story lines. Then some of Canada's top artists, sculptors and craftsmen of many kinds brought them to life under the direction of the Canadian Government Exhibition Commission.

Eight identical caravans were produced to criss-cross the nation while the similar Confederation Train crosses from west to east, generally stopping at the larger centres of population. Visitors to the show find

the trailers—the biggest ever made in Canada—arranged in a quadrangle, with an entertainment stage near the entrance and towering triadetic displays inside the formation.

The triadetics tell in sound and light and photo the development of this region of Canada. Several of them have cranks so the visitor can activate miniature shows himself.

But the main show is inside the seven exhibit trailers (the eighth provides storage for the triadetics).

The tales are told with still and movie pictures, life-size mannequins that move, intricate miniature figures and scenes, reproductions of full-size rooms and outdoor settings as well

as hundreds of artifacts.

You experience life as it was lived in the Indian villages, a tailor shop of Lower Canada, the gold rush days, the Roaring Twenties, and the Great Depression.

You see the Ming vases and fine silks the explorers were seeking when they found Canada by mistake; tiny sculptured figures of the Fathers of Confederation, a rifle and gas mask of one war and bomb fragments of another, a stock ticker rattling through the '29 crash.

And the sounds of other times are all around you—the chant of the voyageurs probing the heart of a continent, the garrulous laughter of a tavern of Upper Canada, the puffing and

clatter of a Prairie-bound steam engine, the shriek of bomb and shell in war.

Many visitors signing the guest book after touring the Confederation Caravan feel they know a little more about the people who passed this way before us.

Lions Light Bulbs

The St. Albert Lions Club sold approximately 900 packs of light bulbs in their recent campaign.

A blitz was held on Sept. 18 with a follow-up on Sept. 19 and 20. The whole town was covered by 99% of the Lions Club Membership. The only reason there were not 100% out canvassings says John Huberdeau, campaign chairman, is that one percent of the membership was away on holidays.

Proceeds will go towards the Lions Club Scholarship Fund and other Lion activities which includes the Lions Park.

All Lion projects proceeds always go into charities, mostly those in their home district.

Chairman Huberdeau was assisted by six team captains, Rock Holman, George Willis, Glen Ward, Dick Hillson, John Hryniv and Rod Thronson.

The Lions wish to thank the people of St. Albert for

their whole-hearted support of this campaign and want to let them know they will be back again next year.

There are 122,000 fewer farms in the United States than there were one year ago.

Award to Holly Nickerson

The Father Lacombe Chapter I.O.D.E. resumed their regular monthly meetings on Sept. 20 at the home of Mrs. Lantinga.

Mrs. W. Scott, Regent of the chapter was in the chair. After the short business meeting, Mrs. Unger of the Aphasic School gave the chapter a resume of the work of the school. It was a most interesting talk and the chapter learned of the many ways in which these children are helped.

Recently, the Edmonton Municipal Chapter I.O.D.E. held its annual awards night at Molson's Edmonton House. The Municipal Bursary for 1967 was presented to Miss Holly Nickerson. Holly is the daughter of Mrs. L. Nickerson of St. Albert.

The Father Lacombe Chapter would like to invite any lady who is interested in their work to telephone Mrs. Lantinga at 599-6711 and arrange to attend one of their meetings. The work of the chapter is in many fields and they feel there would be something to interest most ladies.

Administrative Changes

Several administrative changes were passed at the Sept. 7 meeting of the board of trustees of the St. Albert Protestant Separate School District.

Those present were: R. Harvey, chairman; Dr. W. D. Cuts, R. Russell, C. Schroeder, Dr. J. W. Chalmers, superintendent; E. Murray, secretary-treasurer; six

members of the public.

The board confirmed Administrative changes made for the school year 1967-68.

a) J. Hrynnew devote 1/2 time in Administration as principal Paul Kane High School; 1/2 time principal designate high school.

b) J. Bauman devote 1/2 time to Administration as vice principal Paul Kane

High School; 1/2 time teaching.

c) L. Thronson devote 1/2 time to Administration as vice principal; 1/2 time teaching in his appointment as 2nd vice principal Paul Kane High School.

d) J. Garber resume duties as principal of Leo Nickerson Elementary School.

e) N. Chodan resume duties as vice principal of Leo Nickerson Elementary School.

f) F. Carnahan resume duties as principal of St. George Simpson Elementary School.

The secretary treasurer reported on the summer boiler maintenance program. He advised the board that the government inspector requested that the system be inspected by the department once every two years instead of every year. The last inspection was carried out in 1966.

Mr. Russell reported that

he inspected the slope behind Geneva Crescent and requested that the secretary treasurer contact Mr. Gate, Town of St. Albert, superintendent of parks and recreation, regarding this matter.

It was decided that the certificates of achievement received by the superintendent and members of the caretaking staff not be awarded at the High School Awards Night. The superintendent suggested that the certificates be awarded at some other suitable occasion.

The superintendent mentioned that he advised the public school board regarding the board's decision to allow public school participation in the Centennial Band. However, to date he has not received further requests for this program.

Town of St. Albert, letter dated Sept. 6, 1967, advising that they are not able to pay

the board the amount of the 1967 Supplementary Requisition now due.

R. Maltby of Dennis and Freda O'Connor and Maltby attended the meeting to discuss the change orders to the Leo Nickerson Elementary School addition.

Change orders one to nine for a net credit of \$5,399.82 were approved.

Library shelving in the amount of \$2,168, be provided out of the balance remaining in the contingency fund.

Mr. Harvey, on behalf of the board, commended Mr. Maltby for the manner in which the school was built and the work completed.

Mr. Maltby presented cost estimates for the proposed addition to the administration building. He mentioned that the addition according to estimates would cost \$34,000, and that renovation to the existing building would total \$10,000. He also pointed

out that if the board should decide to include warehouse space, an additional amount of \$6,000, should be included.

The board agreed to refer this matter to the building and properties committee for investigation.

Revenue accounts in the total amount of \$205,878.22 were approved for payment.

Capital Account items in the total amount of \$14,023.16 were approved for payment.

Len and Art's Lawn Service be awarded the contract to landscape the Leo Nickerson School addition site for a total amount of \$2,000.

The secretary treasurer was requested to check with the town of St. Albert regarding specifications for the sod to be used.

ADMINISTRATIVE CHANGES CONTINUED FROM PAGE 7

Alice Chumer were appointed to the staff effective Sept. 1.

The secretary treasurer reported briefly on the problems encountered in financing the noon-hour bussing operation. After some discussion the administration was requested to prepare a report in this regard.

There was some discussion on the need to review charges made to church groups. It was agreed that the secretary treasurer prepare a report and recommendation for the next meeting.

Mr. Schroder advised that a meeting of the high school committee was held on Sept. 6. He mentioned that the superintendent will prepare a report for the next meeting.

Dr. Cuts expressed concern about the condition of the west wall of the Sir George Simpson Elementary Gymnasium. He mentioned that consideration should be given to repaint the wall. He also mentioned that the drain in this location is full of rubbish.

Mr. Harvey advised the board that he had been contacted by Mrs. Bronson from Leo Nickerson Home and School Association regarding the two trees that were damaged and removed during the construction of the addition. It was agreed that the secretary treasurer

make arrangements to provide two trees to replace those damaged.

The secretary treasurer was requested to provide a copy of the letter received from the Deputy Minister of Education in reply to the board's request for a contingency grant to cover the cost of repairs to the Paul Kane High School roof. The secretary treasurer was also requested to contact the Local Authorities Board regarding the possibility of the board's approval of a by-law to finance these repairs by way of a debenture.

The decisions made by the committee of the whole at a meeting held on Aug. 24 were approved.

St. Albert Girl Dances in Halifax

by Hennie Stibbe

Fourteen year old Shirley Mae O'Neill spent the last week of August in Halifax, by invitation of the Nova Scotia Government. Shirley Mae, who travelled with a group of fellow pupils of the Mrs. D. Hill Dancin School, was accompanied by her mother, Mrs. T. O'Neill.

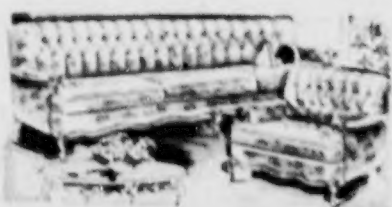

The girls were flown to Halifax, stayed at a hotel and had a bus at their disposal for sightseeing. They danced every evening with the world famous Muirhead Pipe Band from Edinburgh. For the grand finale Shirley Mae danced to the pipes of Shaughnessy O'Neill, who is the Queen Mother's personal piper in addition to being world champion piper.
